

**BAIE D'URFÉ YACHT CLUB**  
**CP 10002 CSP, Sainte-Anne-de-Bellevue, Qc H9X 0A6**

Dear Commodore, Officers and Members:

The Baie D'Urfé Yacht Club would like to extend reciprocal privileges to you and your club for the 2017 boating season. BDYC values relationships with fellow Yacht Clubs and we look forward to hosting your visiting members. You will find your letter of invitation and Reciprocal project attached. We are kindly requesting a return acknowledgement to confirm the arrangement.

The Club is situated in the heart of the West Island, less than 30 minutes from downtown Montreal and only minutes to the waterfront restaurants and shops of the historic Sainte-Anne-de-Bellevue. BDYC is also at the gateway to Lake St-Louis, Lake of Two Mountains, the Ottawa River, and the Rideau Canal system.

BDYC offers a quiet harbour with bathroom/shower facilities, and is within a reasonable walking distance of Ste. Anne-de-Bellevue, which has several restaurants, bars, shops etc. As we are on a septic tank system we can NOT allow pumping out / dumping at all. The maximum fixed draft acceptable in our harbour is 4'6" – large sailboats and power boats may be refused (except in the case of emergency). Space is subject to availability, and visitors must call ahead of time to confirm and ensure that a place in the harbor is available.

Boats from clubs having a reciprocal agreement are permitted 3 (three) nights per season free of charge, after which the nightly rate of \$10.00 will apply.

Our bilingual staff will be pleased to welcome you and assist in allocating a berth.

**Please note:** since the 2015 season, we will **not** be annually re-issuing reciprocal invitations. Instead, we hope to maintain our reciprocal relation with your club without explicitly renewing it every year. Please assume that we still extend the same reciprocal offer and privileges to your club members, so long as your club maintains its reciprocal offers, until further notice. We maintain a list of clubs with whom we have reciprocal relations on our website; please do not hesitate to consult this list or send us an email to confirm this relationship at any time!

Best wishes for a successful and safe sailing season,  
Julia Attack, Club Manager
